

RTO MASTER START TIMES 2019

List is current as of 5/29/2019

If we did not assign your team a start time, please contact [Eric](#). We either did not have enough info from you, or the info that you provided was contradictory, or we understand that you are a local team and you have not satisfied the volunteer requirements. Each team member needs to provide their 10K time when they register and the team captain needs to provide us with an estimate as to the team's overall time.
