

COMSTOCK ODYSSEY MASTER START TIMES 2022

List is current as of 6/1/2022

Start times are posted. Please note that we reserve the right to adjust any of these times as we get closer to the event.

If your team has not received a start time, one of the following may apply:

- Your team is required to meet the volunteer requirements but your team has not done that yet;
- Your team has not provided enough data (10K times for each runner, a total estimated time);
- Your team has provided an estimate that is much faster or slower than the data you provided.

Please email Eric at eric@race178.com to inquire.

If your team has received a start time, please note the following:

- If based on your projections your team will reach Exchange Point 18 before 10:30 pm on Friday June 3 and/or your team will reach Exchange Point 24 in Carson City before 2:30 am on Saturday June 4, please let us know and we will assign you a later start time. No teams will be allowed to advance from these two locations before these designated times. You might as well start later and not have to be stopped once or twice.
- All teams need to finish Saturday June 4 between 10:30 am and 4 pm. By the way, if there is any possibility that your team will be later than 4 pm, we have ways to work with you so you will get to the finish line party by 4 pm. Yes, you may not run every leg. But you still will earn your finisher's medal.

Please email Eric at eric@race178.com if we need to adjust your start time to meet these important time parameters.
